(PROPOSED PROJECT TITLE)

NOTICE TO PETITIONERS

Return this petition to the issuing office shown below with valid signatures from property owners representing at least **70%** of this project's total footage, indicating an interest in the project. Once the signatures on the returned petition are validated, questionnaires will be sent to all affected property owners to confirm that there is strong support for the project. If the petition and questionnaire process indicate strong support, the City Council will then be requested to authorize the design of the project.

After a preliminary design, and prior to construction of the project, each individual property owner will be sent a notice of hearings and a ballot which will indicate the maximum assessment related to their property for installation and annual operation & maintenance of the street lighting improvement. Proposition 218 requires that property owners approve any proposed assessment through a balloting procedure.

Further information regarding this process can be obtained by contacting the Bureau of Street Lighting at https://lights.lacity.gov/contact_us
